

Miss Riley's Classroom

Little Echoes Preschool

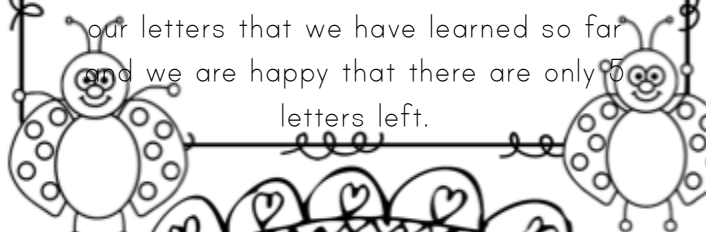

Vol.4 issue 30

April 18th-21st, 2017

Last Week's Activities

Two weeks ago we learned about the different kinds of extreme weather we can have; we spent most of our time learning about hurricanes and tornadoes. Last week was a short week. We learned about why Jesus died on the cross. We learned he did it to save us and that he came back to life! We also talked about how one of his friends had a very bad idea that helped others hurt Jesus. We reviewed our letters that we have learned so far and we are happy that there are only 5 letters left.

Miss Riley's Info

Email: kristin.riley.sms@gmail.com

Phone: 507-430-4515

School Website:

www.stmarysshchooltracy.org

St. Mary's School is a Christ-Centered school where all enter to learn and exit to serve.

This Week's Activities

Weekly Theme:

Earth

Reduce/Reuse/Recycle

Focusing on:

Nickels

Letter of the Week:

Vv

If you haven't had a chance to bring in snacks or money for snacks, please try and do so as soon as possible! This week we are going to learning how to take care of the Earth. We will learn about recycling, littering, and reusing. Thomas Jefferson is present on the nickel and we will be learning about him as well.
